

Technology Day 2016

September 29, 2016
Irvine, CA

Aims and Contents.

West Coast Technology Day – Workshop overview 2016.

Thursday, September 29, 2016

Compile your own program and select [] up to 4 workshops.

Register via Email to: marketing@herrmannultrasonics.com

Please return this completed form via Email or provide us with: **Your first & last name, company, address, phone number and your preferred workshops.**

Welcome Speech Uwe Peregi, Exec. VP & GM
09.00am – 9.30am

WORKSHOP 01 – “GeneXpert® System” Cepheid
Guest speaker Michael Turnlund, VP/GM, Eng. & Software
Other molecular diagnostic equipments simply can't compete.
[] 9:30am – 10:30am [] 1:00pm – 2:00pm

WORKSHOP 02 – “Ultrasonic basics”
Basic principles for beginners and refreshers for users.
An insight into the world of plastic material.
[] 9:30am – 10:30am [] 1:00pm – 2:00pm

WORKSHOP 03 – “Focus on weld joints”
Joint design as quality factor. High precision
due to component design suitable for ultrasonic.
[] 9:30am – 10:30am [] 1:00pm – 2:00pm

WORKSHOP 04 – “Sonotrode Design”
From a virtual model to the finished weld tool. Detailed
information about the complex sonotrode creation process.
[] 11:00am – 12:00pm

WORKSHOP 05 – “LiveLab”
Hands-on in our ultrasonic lab. Setting up an initial
welding and optimizing parameters.
[] 11:00am – 12:00pm [] 2:30pm – 3:30pm

WORKSHOP 06 – “Inspection of plastic weld seams” Movimed
Guest speaker John Cabrer, Senior Systems Engineer
Passive and active thermography techniques make a difference.
[] 11:00am – 12:00pm [] 2:30pm – 3:30pm

WORKSHOP 07 – “Packaging - Integration made easy”
Project example packaging machine. About concept consulting
and feasibility testing to installation and start-up in production.
[] 2:30pm – 3:30pm

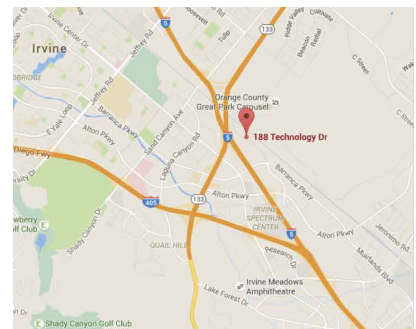

Lunch
12:00pm – 1:00pm

Get together & networking
3:30pm – 5:00pm

How to get to Herrmann Ultrasonics.
